General Information and Notices

ADMINISTERING MEDICINES TO STUDENTS: Administration of medication to students during regular school hours and during school-related activities is discouraged unless absolutely necessary for the critical health and well being of the student. When a child requires daily or regular medicine, the responsibility for administering such medication rests solely upon the parents. School employees should not undertake to administer medication as a matter of policy; however, school employees must in an emergency situation give first aid including medicine if necessary. If it is mandatory for a child to take any medication (prescription or over-the-counter drugs) at school, the following procedures should be adhered to:

- ◇ Parents/Guardians must obtain a written order from the child's physician to be left at school before the medication can be given in school. This written order will be kept in the school health file.
- ◇ The parent/guardian will send written permission, the doctor's order, and the medication to the school in order for the medication to be given at school. This permission will be kept in the school health file.
- ◇ The medication must be in the original pharmacy bottle and properly labeled by a pharmacist. Over-the-counter medication must be brought in the original container with the manufacturer's original label and the student's name affixed to the container. The entire bottle of medication should not be sent to school. Only the dose/doses need to be given during the treatment period at school should be sent to school.
- ◇ This medication will be kept in a locked space or container for safe storage. Refrigerated medication will be kept in a secure area.
- ◇ With the parents consent and the physician's order on file, the medication may be given only by Illinois board certified personnel and qualified medical personnel.
- ◇ A basic record or documentation process will be required by persons administering medication. If the medication is not given, the reason shall be documented and signed.
- ◇ The school district retains the discretion to reject requests for administration of medicine. The school only needs to give those medications, which are necessary to maintain the child in school and that must be given during school hours.
- ◇ All permission for long-term medication must be renewed annually. Changes in medication must have written authorization from the child's physician.
- ◇ The parent/guardian will be responsible at the end of the treatment period for removing from the school any unused medication. If the medication has not been picked up by the end of the treatment period, the medication will be disposed of and documentation made in the student's health file.

SELF-ADMINISTRATION OF MEDICINE: Public Act 92-402 requires a school to permit self-administration of asthma medication provided: 1) the parent of the student provides written authorization for such use and waives liability; and 2) the student's doctor provides written certification stating that the student has asthma and is capable of self-medicating. Guidelines:

- Medication should be limited during school hours to time when absolutely necessary.
- Parents should sign documents allowing medication to be taken at school.
- Students who are diabetic may also self-carry and self-administer diabetic testing supplies and insulin. Students who are diabetic must also have a Diabetes Care Plan on file with the school.

STATE REQUIRED PHYSICAL EXAMINATIONS AND IMMUNIZATIONS: One of the requirements for students to be permitted to enroll in Woodlawn High School is compliance with Public Act 18-184 and also to the additional requirements for a dental examination as

set forth in Board policy. A copy of the law Public Act 81-184 and a copy of the Board policy concerning physicals, immunizations, and dental examinations are available for public inspection in the Superintendent's office and are printed in the Board Policy of Woodlawn High School. **Physical exams conducted within one year of entering the ninth grade and immunizations are required for all freshman students.** An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. Dental exams are encouraged for all freshmen.

ASBESTOS MANAGEMENT: Woodlawn School District No. 209, Jefferson County, Illinois, is in full compliance with state and federal regulations regarding asbestos management in all district buildings. The public is invited to inspect the plan at any time during regular business hours at the District's business office.

BEHAVIOR INTERVENTION GUIDELINES

The Board of Education of Woodlawn High School has adopted policies and procedures relating to behavior interventions for students that are eligible for special education services. A copy of the district's policy and procedures can be obtained by contacting David Larkin, Superintendent.

CARE OF SCHOOL BUILDING: It is the desire of the Board of Education to give students and teachers the best possible equipment and facilities so that a good school program may be conducted. Because the school building and grounds are the pride of the community, the cooperation of all that are a part of the school is needed. It is the mark of a good school citizen to do just a little more than his share in helping to care for school property. In order to protect our floors from unnecessary scratching, students are asked not to wear heel or toe plates on their shoes.

USE OF OLD & NEW GYM: Please treat the gyms properly. This means do not use street shoes on the floor. Eating snacks and drinking is to be done in the OLD gym or outside, not in the halls. Do not keep drinks in your lockers. No students are to be in the new gym without authorization.

CELL PHONES AND OTHER ELECTRONIC DEVICES: The possession and use of cell phones, cameras and other devices are subject to the following rules:

- They must be turned off or on silent during the regular school day except during lunch or if needed during an emergency.
- They may not be used during passing periods or in the restroom.
- They may not be used in any manner that will cause disruption to the educational environment.

Electronic devices may be used during the school day if:

- Use of the device is provided in the student's IEP, or
- Permission is received from the student's teacher

Examples of electronic devices that are allowed include: laptops, netbooks, cell phones, smart phones, iPods, iPads, tablets and eReaders. Electronic gaming devices like the Nintendo DS, or other gaming devices with internet access, are not allowed.

- Students wishing to carry a device at school must agree to the terms of WHS' "Bring Your Own Technology" guidelines and must register the device with the school. For use in class, the devices must be connected to WHS' school network and not an outside network.

The School District is not responsible for the loss or theft of any electronic device brought to school.

Disciplinary Procedures for use of a device without a teacher's permission:

- First incident – Lunch hour detention and device confiscated until the end of the day.

- Second incident – Teacher’s detention and device confiscated until the end of the day.
- Third incident – Office detention, device confiscated until picked up by a parent and loss of BYOT privileges for the remainder of the school year.

For more information see Woodlawn High School’s Bring Your Own Technology Use Guidelines

DESIGNATION OF BUILDING RESPONSIBILITY: The Principal is designated by the Woodlawn High School Board of Education to be in total charge of the school building operation.

DISPLAYS OF AFFECTION: Excessive displays of affection may cause a substantial disruption to the educational process. All excessive displays of affection, including kissing and fondling, are prohibited. Any student found in violation of this policy shall be subject to penalties for misconduct.

DUAL CREDIT CLASSES: Woodlawn High School students have access to Rend Lake College (RLC) dual credit classes. There is a cost for each class, determined by RLC. A student that enrolls in a RLC class must receive a score of “C” or better to receive RLC credit. Specific course requirements will be indicated in the RLC syllabus for the course. Other material may be added at the teacher’s discretion. Students may be subject to asset test scores or other prerequisites prior to enrollment in RLC classes. RLC Dual Credit textbook rental fees, determined by RLC, are currently set at \$10.00 per book and must be paid no later than 10 school days after the start of class. Classes which are offered for dual credit are weighted for the purpose of calculating GPA. For a complete list of weighted classes refer to the school website.

EMERGENCY CLOSING INFORMATION: In the event that school needs to be dismissed early or is cancelled for the next school day, parents will be notified by the SchoolMessenger telephone system. The following local media will also be provided any school closing information: WSIL-TV Ch. 3 and KSDK-TV Ch. 5 and WMIX-FM 94.1

FEES at Woodlawn Community High School: Registration Fee is \$50.00 (Single student) \$90.00 (Two Students) \$120.00 (Maximum per family). The registration fee applies to all students district-wide. All students enrolled in Drivers Education will pay a \$50.00 fee as well as a \$20.00 fee to the Sec. of State. Students wanting to park in the student parking lot will need to purchase a \$20.00 parking pass in the main office. Replacement P.E. combination locks are \$5.00. Additional Handbooks are \$5.00. All fees are payable at the beginning of the school year.

FIRE AND DISASTER DRILLS: A minimum of three fire drills will be held each year. A tornado drill will be held in the spring. Students are expected to follow all instructions during drills and actual emergencies. Each room will have proper directions for evacuation of the building. If the school must be evacuated for an extended period of time students will be directed to the First Baptist Church, directly across the street from the school.

GLASS CONTAINERS: There are to be no glass containers, which includes but is not confined to bottles, on school grounds at anytime during school or a school-related activity.

JURISDICTIONAL STATEMENT: Students are reminded that all handbook and school rules apply to all school sponsored events, even those activities occurring off-campus.

LOCKERS: Each student is assigned a locker for the storage of books and belongings. The district is not responsible for any lost, stolen or missing items from a school locker. Student

lockers are considered the property of Woodlawn High School and are subject to search by school authorities at any time. No lock shall be placed on the locker unless the combination is provided to school administration. Any unauthorized lock will be removed at student expense.

LUNCH TICKETS: Lunch tickets are \$11.25 per ticket for 5 days. Students may purchase a single lunch ticket for \$2.50. No charges will be allowed for lunch tickets. Students not purchasing a meal in the cafeteria will not be allowed in the cafeteria during the lunch period. Students shall buy lunch tickets in the office before 8:25 a.m. or at noon. Students will sign up for lunch during their first hour class. Students that do not sign up for lunch at this time may eat in the cafeteria, but will have to go to the end of the line. This does not ensure food will be available for those students that have not signed up during first hour class. Students eating in the cafeteria will line up in single file and pass quietly and orderly through the line. Students will not be allowed to trade or borrow lunch tickets. Moderate talking and proper table manners are expected at all times. Students who do not eat in the cafeteria will eat in the old gym or outside. Students will NOT eat lunch in classrooms or the halls. Make sure you use the trash containers. Keep your school clean! There is to be no eating or drinking in the halls. Students will not keep drinks in their lockers. The designated areas for eating-drinking are in the cafeteria, the old gym, and outside in the area directly in front of the north doors. Those students eating in the cafeteria will remain there until they are finished with their meal.

Note: During the lunch period, students will be: in the cafeteria, outside the east side of the building, or in the old gym. There will be no loitering in the halls, classrooms, or restrooms!

MEDICAL AND DENTAL APPOINTMENTS: Dental and Doctor appointments should be made far enough in advance in order that the students or parents may schedule these appointments on Saturdays, after school, or non-school time. If not possible, these may be scheduled during a student's study hall. Only in cases of emergency should class time be used. To be considered as an excused absence, all excused absence procedures must be followed. The Principal will make the final determination whether the absence will be excused.

NON-SCHOOL SPONSORED EVENTS: Events, which are not sponsored by the school for which permission is granted for the use of school facilities, must terminate no later than 11:00p.m.

PERMISSION TO LEAVE SCHOOL: Students who have reason to leave school during the day must get permission from the Principal or Superintendent, before 8:25 a.m. If a student becomes ill, he/she should secure permission from his/her teacher to go the office. No student is to leave school without permission. Students are not to use cell phones to call parents for permission to leave school. Students who do so will be subject to disciplinary action.

PLEDGE OF ALLEGIANCE: School law requires the Pledge of Allegiance to be recited each school day by pupils in secondary educational institutions supported or maintained in whole or in part by public funds. The Pledge of Allegiance will be recited at the start of 4th hour announcements each day.

STUDENT CARS: Cars driven to school by students must be parked in the school parking lot and not used during the school day unless the student driver is authorized to do so by the Principal and/or Superintendent.

In exchange for the privilege of driving to school, students will be subject to search of their vehicle when there is reasonable suspicion to do so. Students will not be allowed to sit in

their cars and visit after parking on the school lot. This applies before school and during the lunch period. Students violating this policy will be subject to disciplinary action, including but not limited to, denial of driving privileges, detention, suspension or expulsion from school.

A safety speed limit of 15 mph will be strictly enforced at all times when students are in the school area. Students are not to be in any vehicle during the school day without office approval. Students parking privileges may be suspended for a period of time and/or revoked by the school administration for the following reasons:

- Exceeding the 15 mph speed limit
- Careless or negligent driving
- Not parking in designated parking areas
- Not parking properly in perpendicular spaces
- Students not entering the building once they park their car.
- School policy on driving to school: **Drive it, Park it, Lock it, and Leave it.** NOTE: Students will not be allowed to park three or four-wheelers on the school parking lot.

STUDENT GUIDANCE: A school counselor is available for individual conferences and group counseling with students who need information or assistance concerning personal, social, educational, or career matters. The counselor has information concerning high school courses, careers, colleges, vocational schools, and scholarships. Students who plan to go to college, enter nurses' training, or take up any other kind of advanced training should keep in close touch with the Principal or counselor regarding entrance requirements, scholarships, government grants, and expenses connected with post-high school education or training. Students may come to the Guidance office for conference during study hall, before school, after school, or by special appointment. Parents are encouraged to visit or contact the counselor when seeking assistance in meeting the needs of their children.

EIGHTEEN YEAR OLD STUDENTS: It is the policy of Woodlawn High School that except in relation to student records requests 18 year old students are treated no differently than any other student unless they have established a residence separate from their parents.

NOTIFICATION TO PARENTS AND STUDENTS OF RIGHTS CONCERNING A

STUDENT'S SCHOOL RECORDS: The District maintains two types of school records for each student: permanent record and temporary record. These records may be integrated.

The permanent record includes:

- Basic identifying information
- Academic Transcripts
- Attendance Record
- Accident and Health Reports
- Scores received on the SAT
- Information pertaining to release of this record
- Honors and Awards
- School-sponsored activities and athletics

The temporary record may include:

- Family background
- Completed Home Language Survey
- Intelligence and aptitude scores
- Psychological reports
- Achievement test results, including scores on the Prairie State Achievement Exam
- Participation in extracurricular activities
- Honors and awards

- Teacher anecdotal records
- Disciplinary information, specifically including information regarding an expulsion, suspension, or other punishment for misconduct involving drugs, weapons, or bodily harm to another
- Special education files
- Verified reports or information from non-educational persons
- Verified information of clear relevance to the student's education
- Information pertaining to release of this record

The Family Educational Rights and Privacy Act (FERPA) and the Illinois Student Records Act afford parent(s)/guardian(s) and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and copy the education records within 10 business days of the day the District receives a request for access.

The degree of access a student has to his or her records depends on the student's age. Students less than 18 years of age have the right to inspect and copy only their permanent record. Students 18 years of age or older have access and copy rights to both permanent and temporary records. Parents/guardians or students should submit to the Building Principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parent(s)/guardian(s) or student of the time and place where the records may be inspected. The District charges \$.10 per page for copying but no one will be denied their right to copies of their records for inability to pay this cost. These rights are denied to any person against whom an order of protection has been entered concerning a student (105 ILCS 5/10-22.3c and 10/5a, and 750 ILCS 60/214(b)(15)).

2. The right to request the amendment of the student's education records that the parent(s)/guardian(s) or eligible student believes are inaccurate, misleading, irrelevant, or improper.

Parents/guardians or eligible students may ask the District to amend a record that they believe is inaccurate, misleading, irrelevant, or improper. They should write the Building Principal or records custodian, clearly identify the record they want changed, and specify the reason. If the District decides not to amend the record as requested by the parents/guardians or eligible student, the District will notify the parents/guardians or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent(s)/guardian(s) or eligible student when notified of the right to a hearing.

3. The right to permit disclosure of personally identifiable information contained in the student's educational records, except to the extent that the FERPA of Illinois School Student Records Act authorizes disclosure without consent.

Disclosure is permitted without consent to school officials with legitimate educational or administrative interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or any parent(s)/guardian(s) or student serving on an official committee, such as disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses education records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law. Before information is released to these individuals, the

parents/guardians will receive prior written notice of the nature and substance of the information, and an opportunity to inspect, copy, and challenge such records. When a challenge is made at the time the student's records are being forwarded to another school to which the student is transferring, there is no right to challenge (1) academic grades, or (2) references to expulsions or out-of-school suspensions. Disclosure is also permitted without consent to: any person for research, statistical reporting or planning, provided that no student or parent(s)/guardian(s) can be identified; any person named in a court order; appropriate persons if the knowledge of such information is necessary for the discharge of their official duties who request information before adjudication of the student.

4. The right to a copy of any school student record proposed to be destroyed or deleted.

Student records are reviewed every 4 years. Permanent records will be maintained for not less than 60 years after a student had transferred, graduated or otherwise withdrawn from school. Temporary records will be maintained for not less than five (5) years after a student had transferred, graduated or otherwise withdrawn from school. Records may be destroyed after these time periods.

5. The right to prohibit the release of directory information concerning the parent's/guardian's child.

Throughout the school year, the District may release directory information regarding students, limited to:

Name; Address; Gender; Grade Level; Birth date and place; Parents'/Guardians' names and addresses; Academic awards, degrees, and honors; Information in relation to school-sponsored activities, organizations, and athletics; Major field of study; Period of attendance in school

Any parents/guardians or eligible student may prohibit the release of any or all of the above information by delivering a written objection to the Building Principal within 30 days of the date of this notice. No directory information will be released within this time period, unless the parents/guardians or eligible student is specifically informed otherwise.

A photograph of an unnamed student is not a school record because the student is not individually identified. The District shall obtain the consent of a student's parents/guardians before publishing a photograph or videotape of the student in which the student is identified.

6. The right to request that military recruiters or institutions of higher learning not be granted access to your secondary school student's name, address, and telephone numbers without your prior written consent.

Federal law requires a secondary school to grant military recruiters and institutions of higher learning, upon their request, access to secondary school students' names, addresses, and telephone numbers, unless the parents/guardians request that the information not be disclosed without prior written consent. If you wish to exercise this option, notify the Building Principal where your student is enrolled for further instructions.

7. The right contained in this statement:

No person may condition the granting or withholding of any right, privilege or benefits or make as a condition of employment, credit, or insurance the securing by any individual of any information from a student's temporary record which such individual may obtain through the exercise of any right secured under State law.

8. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:
Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

USE OF THE TELEPHONE: Students will not be called out of class for telephone calls unless it is an emergency. There will be a 3-minute limit on personal phone calls.

USE OF VENDING MACHINES: The vending machines may be used by students before school, at lunch, or after school unless given permission by the office.

- o Each classroom teacher approves the visitor.
- o NO disciplinary problems occur or have the appearance of occurring.
- o Babies and small children will not be permitted to visit school.

No one other than a parent or guardian is allowed as a visitor.

However, students are not exempt for charges for lost and damaged books, locks, materials, supplies and equipment.

A student is eligible for a fee waiver if the student is currently eligible for free lunches or breakfasts pursuant to 105 ILCS 125/1 et seq.

ATTENDANCE

ABSENCES: 1. Excused: Sickness, accidents, doctor appointments, and trips prearranged with the school, this includes death in the family, or emergency situations (these and other absences will be approved or disapproved by the administration). It is the responsibility of the parents to contact the high school by 9:00 a.m. on the day their student is absent from school. If the school does not receive a phone call, the students must bring a note from the parent or guardian regarding the reason for the absence. If a student fails to bring in a note on the first day back from an absence, they may bring the note in on the following day. After this time period, the unexcused absence will not be corrected. Students and parents should be aware that a note or phone call does not guarantee an excused absence will be issued. A student who has an excused absence will be allowed one day for each day absent to make up work he/she missed unless other arrangements are made between the teacher and the student. A student must be present for one-half of a period to be considered present for that period.

2. Unexcused: Missing bus, truancy, suspensions, car trouble or other reasons not listed under excused.

3. Truant: Skipping school when parents are unaware of the situation. (Being absent without justifiable reason. This is an unexcused absence. Make-up work for the day missed is not permitted and any grade taken will be entered as a zero grade).

ABSENCES AND EXTRA CURRICULAR EVENTS: Students who are absent more than ½ day because of illness shall not be permitted to participate that same evening, unless administrator and parental approval is given. This applies only to illness and not to other excused absences. Students who have an unexcused absence for any part of the day, whether a full day, half-day, or less, shall not be allowed to participate in extra-curricular events for that day.

ATTENDANCE: Parents must assume their share of the responsibility for the regular and punctual attendance of their children. It is the responsibility of the parents to contact the high school the day their student is absent from school by 9:00 a.m.

- School begins at 8:25 a.m.
- Students who are absent must get an absentee slip from the office.
- Students who fail to get an absentee slip will be given an unexcused tardy.

ATTENDANCE REQUIREMENTS: Students are expected to attend school on a regular and punctual basis. After the 5th and 8th absences in a semester, the school will forward a deficiency report to parents concerning the student's attendance record. On the tenth absence in a semester, a student fails the class for the semester. Parents/guardians will be notified at this time. The only exceptions would be for a student under medical care and would be determined by the administration.

Students shall be permitted NO MORE THAN SIX EXCUSED ABSENCES PER SEMESTER BASED UPON PARENTAL CONFIRMATION FOR THE REASONS OF THE ABSENCE. After the student has been excused six times in one or more of his/her classes during a semester, additional excused absences for illness may only be verified through a written medical statement from a physician. After the five excused absences, the school will notify the parent/guardian by phone. If a student absence is verified by a doctor's excuse before the student has reached the limit of six days (or classes) of excused absences, the absence will not count toward the six days permitted by this section. All doctor's excuses must be submitted to the main office within 48 hours of the student absence. Failure to call or write an excuse within 48 hours will result in the absence being unexcused.

BUSINESS/PRE-ARRANGED ABSENCES/COLLEGE DAY:

Business absences shall be used for educational or work business that cannot be conducted before or after the regular school days or on weekends or holidays.

Examples of approved business absence are as follows:

1. Visitation of college or university campus.

3. Work application/interview.

1. Business absences will not be granted to any student who has one or more suspensions, one or more truanancies during the semester.
2. When the initial request for Business Absence is presented, the student will take an application form to teachers to obtain their signatures and a short statement regarding present academic achievement. The student will submit to the Principal for final approval the signed application, attesting to the awareness on the part of the parent and the student of the student's responsibility to make up work missed.
3. Teachers will provide assignments to students and will give make up tests at their convenience. Students will be required to make up work missed in such a way as to impose no added burdens on the teacher.
4. Students must be passing all subjects in order to receive approval for a Business Day.
5. Students will not be allowed a Business Day during semester exams.
6. A Business absence for educational or military purposes will be recorded as a "field trip day".
7. Two (2)-business absences per school year may be allowed although consideration may be allowed as to where the visitation takes place.

Bullying includes cyber-bullying (bullying through the use of technology or any electronic communication) and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

All school staff members are available for help with a bully or to make a report about bullying. Anyone, including staff members and parents/guardians, who has

information about actual or threatened bullying is encouraged to report it to the district complaint manager or any staff member. Anonymous reports are also accepted by phone call or in writing.

A student will not be punished for reporting bullying or supplying information, even if the school's investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

CLOSED CAMPUS POLICY: Woodlawn High School has a closed campus policy. Students arriving upon school property are not to leave the school grounds for any reason after the 8:00 bell rings. Students are required to remain on campus during the school day unless they secure permission first from the office. Permission will not be granted except for emergencies. Parents/guardians wanting their son/daughter to leave campus should call the office in advance granting their approval. When returning, each student must sign in, for any reason, including illness. No student will be excused for any reason if they did not sign out before leaving.

COMPUTER USE: For specific guidelines, see **Acceptable Use Policy** which is provided to every student as he/she enters WHS each year and is also available on the school web site (**Academics\Technology**) District 209 has made computer access (including Internet access) available to students to enhance their education and better prepare them for life and workforce skills. However, the use of District computers is a privilege and not a right. Prior to being permitted to use District computers, students and their parent(s)/guardian(s) must sign the Consent and Waiver at the time of registration.

DELEGATION OF AUTHORITY: Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment or in-school suspension, which is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated educational employees and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may remove students from a classroom for disruptive behavior.

The Superintendent and Building Principal are authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board of Education may suspend a student from riding the bus in excess of 10 days for safety reasons.

Woodlawn Community High School will follow and comply with procedural safeguards required by the **Individuals with Disabilities Education Act (IDEA)** and implementing federal and state regulations.

The following procedures shall be used in suspension cases involving special education students:

- Whenever a special education student is suspended an excessive number of times, the school district shall hold a relatedness conference to determine whether or not the misconduct is the result of the student's handicapping condition as defined by the Rules and Regulations to Govern the Administration and Operation of Special Education. A case study reevaluation shall be completed and/or updated at the relatedness conference.
- Such determination shall be made by staff members who are familiar with the student's handicapping condition and educational program in consultation with the staff of the Franklin and Jefferson Counties Special Education Cooperative.
- If the misconduct is the result of the student's handicapping condition, he or she shall not be suspended until a multidisciplinary staff conference is provided. In such cases, the student's program shall be reviewed in a conference and, if necessary, altered to reduce or eliminate the misconduct. Parental participation in this process shall be encouraged.
- The local district may suspend the student, even if the misconduct is the result of the student's handicapping condition, if the student's presence poses a danger to the student, other students, faculty, or school property, or disrupts the education process.

DETENTION PERIOD: All after school detentions will be served on Tuesday unless other arrangements are made with the principal. Individual Teacher Detention will be served from 3:05 to 3:55 p.m. and Office Detentions will be served from 3:05 to 4:45. One-day notice will be given to the student. The parents will be notified of the date of the detention. If a student fails to serve his/her detention, one additional detention period will be added. Students who arrive more than five minutes late for detention will not be allowed to serve on that day but will be rescheduled for the next week. Students will bring school related materials to study during this time. If a student fails to serve his/her detention a second time he/she will receive an in-school suspension.

Lunch detentions will also be served on Tuesdays. Lunch detentions are for minor infractions only and are not to be substituted for after school detentions.

14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), "look-alikes," alcohol or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal Punishment

Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

The Board shall consider the following elements when formulating punishment:

1. The seriousness of the student's conduct;

22. Operating an unarmed aircraft system (AUS) or drone for any purpose on school grounds or at any school event unless granted permission by the building principal.

Re-Engagement of Returning Students

The building principal or designee shall meet with a student returning to school from an out-of-school suspension, expulsion or alternative school setting. The goal of this meeting shall be to support the student's ability to be successful in school following a period of exclusion and shall include an opportunity for students who have been suspended to complete or make-up missed work for equivalent academic credit.

Student Behavior

Copies of all School District policies on student behavior are available online through the School District's website or in the school office.

REQUIRED NOTICE: A school staff member shall immediately notify the building principal in the event that he or she (1) observes any person in possession of a firearm on or around school grounds, however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the building principal or designee shall immediately notify the local law enforcement agency, State Police, and the student's parent(s)/guardian(s).

Efforts, including the use of early intervention and progressive discipline, shall be made to deter students, while at school or at a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The superintendent, or designee, shall ensure that the parent(s)/guardian(s) of a student who engages in aggressive behavior are notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

SCHOOL SEARCHES: School officials may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots) as well as student personal effects left in school property without the consent or permission of the student. Students have no reasonable expectation of privacy in these areas, including vehicles parked on school property. School officials may also search a student and his/her

personal effects in the student's possession (such as purses, wallets, knapsacks, book bags, lunch boxes, etc.) if the school official has reasonable suspicion that the search will produce evidence that the student has violated or is violating the law and/or school rules. Any contraband will be confiscated by school officials and may also be provided to law enforcement officials. The results of any search conducted by school officials can be used as the basis of disciplinary action.

SEXUAL HARASSMENT: It is the policy of the Board of Education that sexual harassment of students, school personnel or other patrons is not permitted. If you believe you are a victim of sexual harassment, the harassment should be immediately reported to the Principal or Superintendent. When there is sufficient evidence that a student has committed sexual harassment, appropriate action, including warning, suspension, expulsion, or other disciplinary action as may be warranted will be imposed.

STUDENT APPEARANCE/DRESS CODE: The Woodlawn School District No. 209 Board of Education hereby finds and determines that it has a legitimate interest in maintaining an orderly and productive educational program in the school district. For the purposes of ensuring neatness and cleanliness of its students, eliminating or reducing distractions and disruptions to the educational process, protecting and maintaining the health and safety of the students and employees of the school district, and respecting the rights of students and employees, the Board of Education finds it necessary and in the best interest of the school district to establish and enforce a Dress Code applicable to all students in the district.

Students may also be disciplined for any off-campus misconduct that leads the administration and/or Board to conclude that such action causes a material disruption to the school environment. This includes any action by a student taken against an employee and/or his/her family because of the employee's employment relationship with Woodlawn High School.

SUSPENSIONS: The Superintendent and/or Principal shall have the authority to suspend a student from school or to impose a bus suspension for a period not to exceed ten (10) school days for any violation of the gross misconduct section of the student handbook. A "weapon" means possession, use, control, or transfer of any gun, rifle, shotgun, a weapon as defined by Section 921 of Title 18, United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Act, or use of a weapon as defined in Section 24-1 of the Criminal Code, (2) any other object if used or attempted to be used to cause bodily harm, including but not limited to, knives, brass knuckles, billy clubs, or (3) "look alike" of any weapon as defined above. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, not intended, to do bodily harm.
