Dear Parents/Guardians:

The safety of our students is our top priority. I wanted to let you know some of the things we have been doing concerning security.

- On February 16, the staff participated in emergency training that had previously been scheduled. The second part of the training will be completed on March 12.
- Physical security of the buildings has been reviewed and upgrades are planned for the coming months.
- Staff and students have been reminded not to allow entry to schools by anyone other than staff and students unless authorized by the office.
- Security cameras have been recently upgraded.

If you or your students have any information regarding security concerns or threats, please inform us immediately. We will take all threats seriously and refer them to law enforcement.

Sincerely,

David Larkin
Superintendent
